

Dear Parents and Friends,

I am glad to report that we have had a good start to this half-term and we are very happy to have all the students return.

Earlier in this month we had the British Council visiting James Hope College to inspect and recommend us to become a Cambridge International Examinations centre; the consequence of this would be to offer the Cambridge curricula. We are delighted to report that James Hope College has now been approved as such – no doubt we are extremely pleased about this!
