8th November 2017

Dear Parents and Friends,

Salutations and warm greetings!

Last Saturday we had another successful exchange with some private schools in Agbor and surrounds. In addition to the football we also had a fruitful interaction with music, arts and craft. This was very insightful as some schools proved to be very creative despite resource constraints.

A gentle reminder that we expect the **parents of our Year 7, 8 and 10 students** on this coming **Saturday, 11th of November 2017**, for the **ACADEMIC REVIEW** and **PARENTS FORUM**. We will gather in the Great Hall at **10.00 am** for the **Parents Forum** which is anticipated not to be more than 30 minutes; after this, circa, **11.00 am** the **Academic Review** will proceed with respective meetings in the **Classrooms and Science & Technology areas**. It is expected that we will conclude by 3.00 pm latest.

The Monday assembly was dedicated to the topic, '**What it means to be a JHC Scholar**', this was a PowerPoint presentation and compilation was a distillation of the students' research on this important topic. Please see the **attached copy** for edification.

In conclusion, '**Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do**'; and, '**The heart of a mother is a deep abyss at the bottom of which you will always find forgiveness**'.

Have a fantastic week and I look forward to meeting you on Saturday.

Yours sincerely
Mr. Abraham Swart
Principal
