

27 October 2025

Dear Parents and Friends,

I trust that you are well. And yes, our [admission season](#) has begun...see the advert on the next page.

We welcomed our students to college this morning with an assembly which focussed on '[Human nature](#)'. This is our dispositions and characteristics, including ways of thinking, feeling, and acting. We are complex beings, and our nature makes us good but also not so good at times. The flow of the talk was directed to the negative aspect of bullying – that being the repeated, intentional misuse of power to cause harm, fear, or distress to another person. The students got the point. But it was absorbed better with the Biblical examples of Cain and Abel, Jacob and Esau, and Joseph and his brothers. Although the word bully isn't in these Bible texts, these instances depict physical, verbal, and social abuse stemming from pride, jealousy, and a desire for power. This assembly is the prelude to our **anti-bullying week**, which will be student-led starting next week

Parents are invited to our **coffee morning** this coming **Saturday, 1 November 2025**, starting at **9:30 am in the Atrium**. It will include a presentation on accessing the parental portal on the JHC Educare platform, and, of course, the Q&A session.

To our dismay, we still have some parents **who do not read the JHC Parents Newsletter** or **check their children's bags** before they leave for college. **Liquid glue**, which is prohibited due to its health & safety risks, was found on some of our day students. The only glue allowed, as shared with all parents before and reiterated on 10 October 2025, is a [glue stick](#). This is a level four infraction which attracts the highest consequences – parents do your part and protect your children.

Our students were well-dressed and looked smart today – **thank you** to our parents for their efforts.

In conclusion, Colin Powell said, *"If you are going to achieve excellence in big things, you develop the habit in little matters. Excellence is not an exception, it is a prevailing attitude."*

Be safe until we meet again.

Yours truly,
Abraham. P. Swart
Principal
