

Dear Parents and Friends,

Today is the last day of term, after which, we break for the Xmas holidays, both staff and students are looking forward to a relaxing holiday.

When students go home today each will deliver an **envelope** that contains the progress report, outlines for schemes of work, photograph, College Yearbook, etc. The **invoices** for term two will be **emailed** within the next day, or so.

As from Friday, the children will be at home, so what can they do to keep busy and simply not vegetate in front of the television or be absorbed in video games, etc. Here are some suggestions:

- (1) As a parent to read through the progress report to see where your child needs to improve and do related activities (revision, studying, etc.) to boost progress.
- (2) Learn a new skill
- (3) Volunteer
- (4) Keep fit
- (5) Get together with friends and family
- (6) Read a wholesome novel
- (7) Plan for the next term

The suggested activities will beat boredom, ensure that the students have a different routine, not develop brain fog, and to be refreshed when College resumes on the 9<sup>th</sup> of January 2023.

Furthermore, the College continually strives to fine tune operations to improve the best outcomes for students and parents. As such, from the next academic year, September 2023, we intend to add an additional afternoon of co-curricular activity, in other words, instead of two days we will have three days in the week. The additional afternoon will include activities and clubs to enhance skills development of our students.

In conclusion, happy holidays, and remember that this special time is for togetherness and gratitude.

Be safe until we meet again.

Yours truly  
**Abraham. P. Swart**  
Principal

## REMINDERS

### QR CODES

Please find attached two letters, one from **Mr. Nsikan for Agricultural Science**, Years 7, 8 and 9, and the other from **Mr Abanika**, for the **International Award for Young People Nigeria** students. These can be accessed by scanning the QR codes below, and it is recommended to download the letters for future reference.
